

Juniper Campbell, LPC

Consent for a Visitor to Attend a Counseling or Psychotherapy Session

I authorize the presence of the following person or persons to be present during a session with my therapist Juniper Campbell): _____.

Name of Visitor: _____ Relationship: _____

Name of Visitor: _____ Relationship: _____

I understand that having chosen to invite this person(s) to be present during a session on (date) _____ my confidentiality may be compromised. I have invited the person(s) with the understanding that Ms. Campbell will use her clinical judgment when she chooses to share or reveal confidential and/or sensitive information. I understand that she will use her clinical judgment in sharing *any* information. I also understand that having the invited visitor(s) at my session may be upsetting or uncomfortable for me.

Unless specified in writing, this consent does **not** give permission for Ms. Campbell to discuss any confidential information with the visitor(s) any time after the visit.

Additional consents (specify if none): _____

I have clarified with Ms. Campbell that the following topics should **not** be discussed or mentioned during the time that the visitor comes to the session (specify if none): _____

Signature: _____ Date: _____

Therapist: _____ Date: _____
